THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI M.V. RAJASEKHARAN): (a) to (e) The Planning Commission estimates poverty at the National and State level from the large sample survey on household consumer expenditure conducted by the national sample Survey Organization (NSSO) at an interval of approximately five years following the methodology contained in the report of the Expert Group on Estimation of Proportion and number of Poor (Lakdawala Committee). The Ministry of Rural Development provides financial and technical assistance to the States and UTs to conduct the BPL Census in the beginning of the Five year Plan to identify the BPL families who could be provided assistance under various programmes of the Ministry. For identification of BPL families, the Ministry of rural Development prescribed 13 scorable socio-economic parameters (list is given in the Statement. (*See* below). No cut-off score point at the National level, State or district level has been prescribed by the Ministry of Rural Development. No BPL census has been conducted in the past three years.
